

Ralf Hahn (1946-2013)

Co-founder & Former Chairman

Ralf Hahn served as the Chairman of our board of directors since our inception and was one of our co-founders. He was a shareholder and manager of various pharmaceutical companies in Israel and abroad, and had extensive experience in production and marketing.

Mr. Hahn was a visionary and pioneer in the establishment of specialty biopharmaceutical industry in Israel. He founded RAD Chemicals with his partner David Tsur, CEO of Kamada, and together they founded Kamada in 1990. As company chairman Hahn founded and led Kamada from an idea to becoming a groundbreaking, leading company in its field of development, manufacture and marketing of specialty lifesaving biopharmaceuticals.
